Mail Stop Petition
Commissioner for Patents
P.O. Box 1450
Alexandria, VA 22313-1450

Sir:

TRANSMITTAL OF REPLACEMENT TERMINAL DISCLAIMER

In response to the final Office Action mailed on June 6, 2007 and before the filing of a response to said Office Action, Applicants hereby submit a replacement Terminal Disclaimer identifying the correct target patent. Specifically, to remedy a typographical error, U.S. Patent No. 6,983,978 is now designated as the "prior patent" rather than U.S. Patent No. 6,892,496. As permitted under MPEP 1490 (C), the replacement terminal disclaimer replaces the original terminal disclaimer, and the original terminal disclaimer is thus void.

Applicants do not believe that any fees are due in connection with this submission. In particular, a second terminal disclaimer fee should not be charged because the

first fee is applied to the replacement terminal disclaimer. However, if such petition is due or any additional fees are necessary, the Commissioner may consider this to be a request for such and charge any necessary fees to deposit account 23-3000.

Respectfully submitted,
WOOD, HERRON & EVANS, L.L.P.
